Where will I pick up my order?

Orders will be ready for pick up in our neighborhood Market **December 21st** or **22nd** from 10-4PM. We are located at 10037 Manchester Avenue in Warson Woods, MO.

Will these items be already prepared?

Our chefs prepare and freeze them in our kitchens. You'll just need to thaw or heat them to serve based on the cooking instructions provided on the labels. You may transfer them to your own dishes for presentation prior to cooking if you wish.

Can I thaw these items before putting them in the oven?

Yes! Though our products are designed to go directly into the oven from your freezer, many items can be thawed ahead of time. Reduce cook time in half. See label for more information.

I have more questions.
